

DAMNED MANON, SACRED SANDRA

This is Manon's world Not mine. Hers- life of death.

Danne Manon, Sacres Sandra-Michele Themsoney

Intro - Peptalk

In her kitchen, which is completely white, MANON, who is very devout and all dressed in black, is rocking.

In her "dressing room," which is completely black, SANDRA, a transvestite who is all dressed in white, is doing her mails.

MANON:

The solution to everything...is God.

SANDRA:

It doesn't matter who, doesn't matter when, where or why, the answer is always to fuck.

MANON:

It's true.

SANDRA:

Especially not "why"... "whys" are the worst.

There's nothing you do, nothing you say that doesn't have God at the end of it.

"The solution to everything is . . ."
